Corn Maze

Event Description:

This is a family friendly event that takes place on a Friday in September/October and it is for the entire school and their friends. It gives children and their families a chance to get together with other Hathaway families and friends in a social setting. Escobar Farm allows schools to raise a few dollars while having fun and getting lost in their corn maze.

HPTA sells tickets for attendees and allows people to pre-order pizza slices (\$2/slice) using a backpack flier.

We've used Martino's Pizza (\$8.00/large pie) or West End Pizza (\$8.00/large pie)

This event takes place on a Friday evening in starts at 4pm until dusk.
